

Steady App MVP Prototype Evaluation Survey

Thank you for exploring the Steady app MVP.

This is an early prototype, so some features are simulated and may not be fully functional. This short survey evaluates the proposed features not a completed app.

Please answer based only on what you saw and experienced. There are no right or wrong answers.

Section 1: The action-based approach

1. Thinking about the approach shown in the app prototype, how much do you agree or disagree with the following statements

*

The activities presented in the Rescue Cards felt practical and achievable.

- ☐ Strongly disagree
- ☐ Disagree
- ☐ Neutral
- ☐ Agree
- ☐ Strongly Agree

Starting with a practical activity feels more approachable than starting by discussing my feelings.

- ☐ Strongly disagree
- ☐ Disagree
- ☐ Neutral
- ☐ Agree
- ☐ Strongly Agree

The Rescue Card approach could help me take a small first step when I am feeling stressed.
